

CONNECT

Image of CONNECT logo

CONNECT is Ireland's national research centre for Future Networks and Communications. We are jointly funded by Science Foundation Ireland (SFI) and industry. We engage with over 35 companies including large multinationals, SMEs and start-ups. CONNECT brings together world-class expertise from ten Irish academic institutes to create a one-stop-shop for telecommunications research, development and innovation. Tyndall is leading the 'Responsive Things' theme for the Connect Centre with headquarters at Trinity College, Dublin
