EU & Non-EU Applicants

Postgraduate Non-EU Students: Am I an EU or a Non-EU Student?

For admission purpose all applicants are divided into two categories:
EU and Non-EU

It is important that you establish your status before you make an application to UCC as you will retain your status (EU/Non-EU) during your study and you will be unable to change from one category to the other in the middle of a course. Also there is a different application procedure for each category.

Please follow the link below to determine whether you are an EU applicant or a Non-EU applicant:
